LASELL JUNIOR COLLEGE

AUBURNDALE  
MASSACHUSETTS

June Babcock  
*Dean of Women*

Many forces combine to create the mighty rhythm of human life. To be in harmony with it is the important thing — to live with such awareness of the moods and needs of every hour that one's life becomes a symphonic interplay of being and doing. The author of *Ecclesiastes* has put it very clearly: "For everything there is a season, and a time for every purpose under heaven: a time to be born, a time to die, a time to plant, and a time to pluck up that which is planted . . . a time to break down, and a time to build up . . . a time to seek, and a time to lose . . ."

College is the time for learning, both about oneself and about the many worlds in which each of us lives. Your two years at Lasell have been for intellectual planting and birth, for seeking and building those inner resources that are mankind's most real protection against the vicissitudes of the future. If you have made the most of your opportunities here, you will already be aware of their significant relationship to the rhythmic pattern of your life.

## CAP AND GOWN SONG

Words written by: Jeanne Orsi  
Carolyn White

Life has its meaning  
You all know well,  
Rise up from your dreaming  
Now you're at Lasell

See what's around you,  
What's to observe?  
Friends are yours forever  
Those you will deserve.

As seniors we give  
To you what we have learned:  
Purpose, hope, devotion, and fidelity.

Reach out for knowledge  
Follow the light.  
Now we hold our candles;  
Freshmen keep them bright.

*Thy works and mine are ripples on the sea.  
Take heart, I say: we know not yet their end.*

A. C. SWINBURNE

*Looking toward a bright future*

*Lasell  
welcomes  
a new President, Dr. Vincent C. DeBaun*
